Just Like Gold Coin.

For more than fifty years has PERRY DAVIS' PAIN KILLER stood the test against all remedies prepared to eradicate pain, and today stands at the head of the list among the medicines that are so essential to keep at hand in the home.

It is not a new fangle remedy nor do the proprietors lay claim to any wonderful revelation of the ingredients that enter into the manufacture of this ever popular remedy.

It is perfectly harmless, you need have no fear of becoming habitually inclined to its use.

For Colic, Cramps, Dysentery, Colds, and all painful affections, a few doses will certainly give relief. You cannot afford to be without a bottle in the house.

Your forefathers used it and found it beneficial.

Why experiment with some remedy that is new and its effect on the system unknown?

It has many rivals but no equal.

The new 35c. size contains over double the quantity of the 25c. size.

he was defeated—19 to 41. The committee rates were then agreed to, viz.: Four cents per pound on third class wool valued at 10 cents or less per pound and 7 cents per pound on third-class wool valued above 10 cents per pound.

JAPAN.

Information has reached the Japanese Legation at Washington of the illness of Mr. Matsui, the distinguished Japanese statesman who has occupied the position of Minister of Foreign Affairs, and who also at one time was the Minister of Japan to the United States.

The Japanese Diet has passed a bill to subsidize sealers. It may do much to relieve Great Britain and Canada of the troublesome negotiations which have been going on between them and the United States for years, as many British sealers would undoubtedly transfer to the Japanese flag.

EUROPE.

The training brig Sea Lark failed to connect with the Jubilee ceremonies at Portsmouth, and it is feared she met with a mishap in a gale that prevailed.

CUBA.

General Weyler expresses great confidence in the favorable outcome of his plans and talks cheerfully of the outlook for an early peace, he having arranged for the application of the new Cuban reforms in the western provinces in the municipal elections which had been ordered for December.

Court Notes.

Kinney & Ballou, attorneys for complainant in the suit of J. M. Peenahale, administrator of the estate of B. Kahawahawanui, vs. D. Toomey, M. S. Griubbaum & Co., and Maria Makiha, file a motion to amend decree so as to authorize complainant to bid on property in his own behalf.

In the case of August Dreier vs. Elizabeth A. McBryde et al., an affidavit of R. W. T. Purvis has been filed, setting forth difficulties in the way of his inspection of the books of the Eleele plantation partnership.

The annual account of Antone G. Cunha, executor of the will of A. G. Cunha, balances at \$756.

Spain Not Feared.

The statement made in London and re-echoed in Madrid that the Hawaiian islands would be at the mercy of the Spanish fleet in the event of war between Spain and the United States is characteristically absurd. Spanish naval strength in the Pacific is very small, and even if doubled or trebled would have more than it could do to keep watch of the Philippines. As for Hawaii, the Monterey could hold it against Spain single handed, seeing that the latter would have to operate from its distant and always threatened base of supplies at Manila.

More Reasons.

Why people come long distances to buy at the Palama Grocery. Reason No. 1—Because one customer tells another how much they saved by dealing at this live and let live establishment. Reason No. 2—Because the saving from their grocery bill helps them to pay their house rent. If you don't believe what our customers say, just give us a call and be convinced.

HARRY CANNON, Palama Grocery, Opposite Railway Depot. Tel. 755, every time. Goods delivered.

Examples to Japan.

It is pleasing to know that China and Portugal do not intend to protest against the Hawaiian treaty. In this they give gratifying proof of their ability to mind their own business, an art which Japan does not yet seem to have acquired. However, even the latter may learn in time that it will take more than a military walkover among the peaceful Chinese to make her an arbiter of the Pacific.—S. F. Chronicle.

Gus Schuman begs to inform the public that he has on hand a fine new line of Surreys, Buggies, Phaetons, Road Wagons and Carts; Double and Single Buggy, Express and Hack Harness made especially for the Hawaiian trade. These goods are now on exhibition at the Club Stables.
